

Spirit Ridge Equestrian is offering two Working Equitation Clinics in Spring 2023!

Mark your calendars for March 11 & 12 with clinician and WECAN Judge Kendra Martland and April 15 & 16 with Darcey Henkel

Working Equitation, is the fastest growing equine sport discipline in Canada and BC is leading the way. What is exciting about this sport is that all breeds are welcome and western or English tack and dress is acceptable.

Horses are ridden on contact and regardless of discipline working training rides with a few obstacles other than trot poles is a way to build both rider and horse confidence, agility, and add a new element of precision to each ride.

Space for the clinic will be limited to 12 riders. Each class will have a minimum of 4 riders and be 2 hours in length.

All riders must wear an approved equestrian helmet, sign a waiver and be a member of BC Horse council.

Please leave your dogs at home.

Thank you.
