

Working Equation with Sandy Lang at Spirit Ridge Equestrian March 16 & 17, 2024

Working Equitation, is the fastest growing equine sport discipline in Canada and BC is leading the way. What is exciting about this sport is that all breeds are welcome and western or English tack and dress is acceptable. Horses are ridden on contact and regardless of discipline working training rides with a few obstacles other than trot poles is a way to build both rider and horse confidence, agility, and add a new element of precision to each ride.

All riders must wear an approved equestrian helmet, sign a waiver and be a member of BC Horse council.
